[OUTRO]

fucking hell, no offense, fuck always apologize when you did wrong? no, don't apologize!

#324: youtube trend is a very volatile thing, and it's the same thing with other content platforms. if you want to join the game think about the evergreen content strategy or consider creating your own personal format.

#325: struggling between cultural consumerism and meaningful minimalism? find your own path and rules to deal with clutter need and overload. find out what is enough and what is too much for you.

#326: the fast-spreading global trend of meditation is only this big because of the massive inhuman stress load we inflict ourselves.

#327: and fuck the new semi-apathic activism, when you act for your cause from your couch, on twitter, with the latest hashtag. check these lyrics: <https://genius.com/19991900>

#328: awesome subjects to study, linked to self esteem and much more. i like this reading: <https://www.youtube.com/watch?v=a3vcppmeoji>
